General Conditions of Admission, Consent, Assignment of Benefits & Financial Agreement

Consent to Diagnostic Tests, Procedures and Medical Treatment:
I do voluntarily consent to hospital care involving diagnostic tests, procedures and medical treatment as ordered by my treating physician(s), practitioner(s) and his or her designees. This consent includes testing for communicable diseases, including but not limited to Human Immunodeficiency Virus (HIV), hepatitis or any other blood-borne infectious disease if ordered for a diagnostic purpose or due to occupational exposure of a health care worker. I acknowledge no guarantee has been made to me as to the results of examination and treatment in the hospital.

Independent Contractor Acknowledgement:
I understand and acknowledge **the physicians and other practitioners involved in my care, including but not limited to my attending physician, consulting physicians, emergency department physicians, physician assistants, nurse practitioners, radiologists, anesthesiologists, nurse anesthetists and pathologists are not agents or employees of The Medical Center.** I further understand I will be billed separately for services by these providers. These providers have independent relationships with insurance companies, and the hospital makes no guarantee as to any preferred provider relationships with these physicians/practitioners.

Assignment of Benefits and Financial Agreement:
I certify all information given by me is correct and I accept responsibility for the charges for the care provided. I agree to the assignment of all third-party benefits to The Medical Center and to any physician, practitioner, organization or independent contractor who provided products or services, and agree to pay all charges not covered by third-party payers. If I am covered by an ERISA plan, with this assignment I specifically authorize my providers to receive copies of all notifications and information that I am legally entitled to receive under the terms of my insurance/health plan and to act on my behalf to appeal benefit determinations. I acknowledge any claim for benefits from a third party payer may be filed by The Medical Center as a courtesy to me. However, I am primarily responsible for monitoring the filing process and making certain the claim is filed in compliance with the provisions specified by the applicable third party payer. The filing of the claim by The Medical Center in no way absolves me from liability for any portion of the bill not paid by a third party payer for any reason. In the case of outpatient services, I agree this document shall remain in full force and effect until specifically revoked by me in writing.

Unless other payment arrangements are approved by The Medical Center, the account balance is due upon demand. Failure to remit payment for the services may result in the placement of an account with a collection agency or attorney for collection. All amounts due, as reflected by the final statement and/or amended final statement, shall bear interest from the due date until paid at a per annum rate of eight percent (8%). In the event a claim is reduced to judgment, it shall accrue interest at the judgment rate of six percent (6%) until paid in full. Further, I agree to pay all costs of collection including court costs, interest, attorney fees and collection agency fees.
